2) Minutes of the 140th meeting of SEIAA held on 25th & 26th March 2024.

Attention is invited to the references cited. SEAC in its 158th meeting examined your application for ToR and recommended Standard ToR under Category 1(a) “Mining of Minerals”.

Hence, the Standard ToR as mentioned in the document published by the MoEF & CC, GoI in April 2015 for Category B, Activity 1 (a) “Mining of Minerals” projects is hereby approved for the EIA study for the Granite Building Stone Quarry Project of Sri. Jose A.K. for an area of 1.5906 Ha at Survey Nos. 491/3A-6, 491/3A-7, 491/3A-8 in Pindimana Village, Kothamangalam Taluk, Ernakulam.
