Environmental Clearance was issued vide Order read 1st above to the quarry project of Sri. Abdul Azeez, Managing Director, M/s Manjeri Bricks and Metals Pvt. Ltd for an area of 2.8549 Ha, at Block No.45, Sy.Nos. 276/2, 281/2 in Anakayam Village, Anakayam

Panchayath and Sy. No. 244 in Manjeri Village, Manjeri Municipality, Ernadu Taluk, Malappuram on 11.02.2016 for a period of five years.

2. After due appraisal, the Committee in its 124th meeting, decided to direct the Project Proponent to apply afresh since the proposal is not eligible for revalidation. The Authority in its 112th meeting, agreed to the decision of SEAC and decided to reject the proposal. Vide Order 3rd above Rejection Order was issued to the Project Proponent.

3. As per the request from the Project Proponent dated 07.01.2022, the proposal was placed in the 113th, 114th, 115th, 118th, 121st meeting of SEIAA & 131st, 134th meeting of SEAC held on different dates. After due appraisal, the Committee in its 131st meeting noted that the EC issued on 11.2.2016 in Anakkayam Village was for an area of 2.1311 Ha (Sy. No. 276/2, 281/2) and that in Manjeri Village was for 0.7238 Ha (Sy. No. 244) based on the Mining Plan approved on 13.8.2014. However, the lease order dated 22.9.2015 indicated that the lease area sanctioned in Anakkayam Village was 2.0603 Ha (Sy. No. 276/2, 281/2) and the lease order dated 4/11/2015 indicated that the lease area sanctioned in Manjeri Village was 1.0550 Ha (Sy No 116/16). Therefore, there is discrepancy in the area and survey numbers for which EC was issued, lease sanctioned and clarification of EC area submitted by the Project Proponent. The Committee decided to bring the points to the notice of SEIAA. Accordingly, the Committee in its 134th meeting recommended rejection of the application for revalidation of EC based on the discrepancies noted. The Authority in its 121st meeting, agreed to the recommendation of SEAC to reject the proposal.
