## Overview

The Ministry of Environment, Forest and Climate Change has notified the Environmental Impact Assessment (EIA) Notification, 2006 imposing certain restrictions and prohibitions on new projects or activities, or on the expansion or modernization of existing projects or activities based on their potential environmental impacts as indicated in the Schedule to the notification, being undertaken in any part of India, unless prior environmental clearance has been accorded in accordance with the provisions of the Environment (Protection) Act, 1986,

The process, inter alia, includes screening, scoping, public consultation and appraisal by Expert Appraisal Committee (EAC). Expert Appraisal Committee concerned shall make categorical recommendations to the regulatory authority concerned either for grant of prior environmental clearance on stipulated terms and conditions, or rejection of the application for prior environmental clearance, together with reasons for the same.

The Standard EC condition shall be considered by the Expert Appraisal Committee at the time of Appraisal. EAC after due diligence can modify, delete and add conditions on project-specific requirements. The recommended condition by the EAC shall be brought in the minutes of the meeting of the Expert Appraisal Committee.
