These writ petitions are filed by the quarry operators who are issued with valid permits and licences to operate quarrying activities in the State of Kerala, challenging the impugned orders revoking their licences. It appears that the impugned orders are issued based on the directions issued by the National Green Tribunal, Principal Bench, New Delhi in OA.No.171 of 2013 dated 8.7.2014. On a bare reading of the above order and the related records, it would reflect that the above matter is relating to sand mining. I am of the view, the impugned orders are not prima facie sustainable. Therefore, the impugned orders are stayed for a period of two weeks.

Post these cases on 21.8.2014.
