Nos. 526/7, 526/16, 526/1-1, 526/1, 526/20, 526/21, 526/19, 526/6, 525/15, 525/14, 525/14-1, 544/1-1, 525/2-1-1, 544/1, 526/27 and 526/28 by M/s Muthoot Estate Investments – Environmental Clearance under EIA Notification 2006 accorded – Orders issued

### ***Environmental Clearance***

No. 17/SEIAA/KL/630/2012

dated, Thiruvananthapuram 22-02-2013

### **ORDER**

The Managing Partner of M/s Muthoot Estate Investments, vide their application received on 19-03-2012 has sought environmental clearance under the EIA Notification, 2006 for the construction of Residential Project at Village Attipra, District Thiruvananthapuram, Kerala. The proposal has been appraised by the State Level Expert Appraisal Committee Kerala constituted by the competent authority, as per prescribed procedure in the lights of provisions under the EIA Notification 2006 and subsequent amendments, in its 3<sup>rd</sup> meeting held on 7<sup>th</sup> April, 2012, 6<sup>th</sup> meeting held on 4<sup>th</sup> August 2012, 9<sup>th</sup> meeting held on 3<sup>rd</sup> November, 2012 and 11<sup>th</sup> meeting held on 9<sup>th</sup> January 2013 AND on the basis of the supporting documents enclosed with the application viz., the Form – 1 & 1A, Conceptual Plan and the additional clarifications furnished in response to the observations, the SEAC Kerala recommended environmental clearance to the project.

It is interalia, noted that the project comes under the Category B, 8(a) of Schedule of EIA Notification 2006. It involves the construction of Residential Project at Village Attipra, District Thiruvananthapuram, Kerala. The facilities proposed for the residential project are 168 residential units with recreation area in basement 1, 2 + Ground floor + 12 floors. The total built-up area is of 42,100.84 m<sup>2</sup>. The total daily domestic water requirement for the proposed project is 117.18 KL/day. The waste water generated from the proposed project will be treated in a STP of capacity of about 127 KL/day. Solid waste of about 336 kg/day would be generated from the proposed project. Power requirement is 533 KW. Total cost of the project is ₹ 78 crores.

The SEIAA, after due consideration of the relevant documents and additional clarifications submitted by the project proponent, and in view of the recommendations of SEAC, approved for issuance of Environmental Clearance for the project mentioned above at its 14<sup>th</sup> meeting held on 22<sup>nd</sup> January 2013. Accordingly, the State Level Environment Impact Assessment Authority (SEIAA) Kerala constituted by Govt. of India vide Notification No. S.O. 2484(E) dt.3-11-2011 of Ministry of Environment and Forests, Govt. of India, published as Gazette extraordinary No. 2074 on 3-11-2011, hereby accord Environmental Clearance for the above project as per powers vested with it under the provisions of Environment Impact Assessment Notification – 2006 and its subsequent amendments, subject to strict compliance of the following specific conditions, and the general conditions contained in the Annexure, which shall also form a part of this document.

1. Local datum as given in the NOC of Airports Authority of India shall be binding on the project proponent.
2. Storm water from the plot must be directed to percolation ponds after clarification.
3. Silt fencing should be given during construction phase so as to avoid possible down slope movement of mud and other material during the rains and siltation of nearby lake.
4. Green architecture should be followed.
5. Solid waste generated shall be used in situ for horticultural purposes.
6. Measures to recharge the ground water so as to avoid depletion of ground water table shall be evolved and got approved by SEAC before initiating the project activities.

Compliance of the above conditions will be monitored by the Directorate of the Department of Environment and Climate Change, Government of Kerala or its agencies and also by the Regional Office of the Ministry of Environment and Forests, Government of India located at Bangalore. Necessary support for entry and inspection should be provided by the project proponent to the staff of the Directorate and Ministry for monitoring purposes.

## STATE ENVIRONMENT IMPACT ASSESSMENT AUTHORITY KERALA

## GENERAL CONDITIONS (for projects other than mining)

- (i) Rain water harvesting to collect and utilize the entire water falling in land area should be provided.
- (ii) Environment Monitoring Cell as agreed under the affidavit filed by the proponent should be formed and made functional.
- (iii) Suitable avenue trees should be planted along either side of the tarred road and open parking areas, if any, inclusive of approach road and internal roads.
- (iv) The project shall incorporate devices for solar energy generation and utilization wherever possible.
- (v) In the case of any change(s) in the scope of the project, the project would require a fresh appraisal by this Authority.
- (vi) The Authority reserves the right to add additional safeguard measures subsequently, if found necessary, and to take action including revoking of the environment clearance under the provisions of the Environmental (Protection) Act, 1986, to ensure effective implementation of the suggested safeguard measures in a time bound and satisfactory manner.
- (vii) All other statutory clearances shall be obtained, as applicable, by project proponents from the respective competent authorities.
- (viii) The stipulations by Statutory Authorities under different Acts and Notifications should be complied with, including the provisions of Water (Prevention and Control of Pollution) Act, 1974, the Air (Prevention and control of Pollution) act 1981, the Environment (Protection) Act, 1986, the Public Liability (Insurance) Act, 1991 and EIA Notification, 2006.
- (ix) The project proponent should advertise in at least two local newspapers widely circulated in the region, one of which shall be in the vernacular language informing that the project has been accorded Environmental Clearance and copies of clearance letters are available with the Department of Environment and Climate Change, Govt. of Kerala and may also be seen on the website of the Authority at [www.seiaakerala.org](http://www.seiaakerala.org). The advertisement should be made within 10 days from the date of receipt of the Clearance letter and a copy of the same should be forwarded to the office of this Authority as confirmation.
- (x) A copy of the clearance letter shall be sent by the proponent to concerned Grama Panchayat/ District Panchayat/ Municipality/Corporation/Urban Local Body and also to the Local NGO, if any, from whom suggestions / representations, if any, were received while processing the proposal. The clearance letter shall also be put on the website of the company by the proponent.
- (xi) The proponent shall submit six monthly reports on the status of compliance of the stipulated EC conditions including results of monitored data (both in hard copies as well as by e-mail) and upload the status of compliance of the stipulated EC conditions, including results of monitored data on their website and shall update the same periodically. It shall simultaneously be sent to the respective Regional Office of MoEF, Govt. of India and also to the Directorate of Environment and Climate Change, Govt. of Kerala.
- (xii) The proponent should provide affidavit that all the conditions stipulated in the EC shall be scrupulously followed.
