The matter was considered in the 45<sup>th</sup> meeting of the Authority held on 04-12-2015. It was decided to send communications to the applicants to remit fees and obtain the E.C, failing which the decision to grant E.C would be revoked and applications delisted on grounds of default on their part. Despite notice in each case as above, the applicants in the above 28 cases have not yet responded and therefore the matter was placed in the 55<sup>th</sup> meeting of SEIAA held on 16-07-2016. The Authority decided to revoke the provisional decision to grant E.C in the above cases, to confirm the provisional decision taken in the 45<sup>th</sup> meeting and to delist the applications for default of the above applications.

The applications for environmental clearances for removal of ordinary earth/brick earth, listed above are therefore delisted.
