Environmental Clearance

No.905/SEIAA/EC3/3497/2015

dated, Thiruvananthapuram 11-08-2016

Ref: 1. O.M.No.L-11011/47/2011-1AII (M) dated 24.06.2013 of the Ministry of Environment & Forests, Government of India.

2. Minutes of the 55th meeting of SEIAA held on 16-7-2016.

ENVIRONMENTAL CLEARANCE NO.OE/2016 |110

Environmental Clearance under notification S.O. No. 1533 (E) dated 26.09.2006 read with O.M. No. L-11011/47/2011-1AII(M) dated 24.06.2013 of the Ministry of Environment & Forest, Government of India, is accorded to the applicants named in column 2 of the annexure hereto in strict compliance with the following general conditions and the specific conditions stipulated in column 7 against each application in the annexure.

General conditions

- (i) The activity shall not involve blasting.
- (ii) The maximum depth of removal of earth the general ground level shall not go below that specifically stipulated by the Authority in column 7 of the annexure. The level should be prominently marked before initiating the work.
- (iii) Removal of earth should be restricted to 2m above to the groundwater table at the site.
- (iv) The excavation activity shall not alter the natural drainage pattern of the area.
- (v) The burrowed/excavated pit shall be restored by the project proponent for useful purpose(s) as specified in the application.
- (vi) Appropriate fencing all around the burrowed/excavated pit shall be made to prevent any mishap.
- (vii) Measures shall be taken to prevent dust emission by covering of burrowed/excavated earth during transportation.
- (viii) Safeguards shall be adopted against the health risks on account of breeding of vectors in the water body created due to burrowing/excavation of earth.
- (ix) Workers/labourers shall be provided with facilities for drinking water and sanitation.

- (x) A berm shall be left from the boundary of adjoining field having a width the equal to at least half the depth of proposed excavation.
- (xi) A minimum distance of 15 m from any civil structure shall be kept from the periphery of the excavation area.
- (xii) The Environmental Clearance shall be liable to be cancelled in any case of violation of above guidelines.

Violation of any of above general or specific conditions as applicable to the particular case will entail cancellation of the EC, in addition to legal action under the provisions of the Environment (Protection) Act 1986 and Notification No.S.O.637 (E) dated 28.02.2014 of the MoEF, Govt. of India. Non-compliance if any shall be reported to the Ernakulam District Collector, by the State Environment Impact Assessment Authority.
